

PLAN PARTNERS

Remote Plan Department *for Builders*

Who We Support

Custom residential builders producing 15–50 homes annually who need structured drafting capacity without adding payroll overhead.

Our Services

- Plan modifications
 - Drafting overflow
 - Revision cycles
 - Elevation updates
 - As-built plan corrections
-

How It Works

1. Builder submits intake form and redlines
 2. Scope confirmed
 3. Timeline established
 4. Drafting completed
 5. Internal QC review
 6. Delivery
-

Typical Modification Range

Most modification scopes fall between **\$1,500 – \$4,000** depending on complexity. Pricing confirmed after scope review.

Structured capacity. • Consistent turnaround. • Built for builders.
